

PPL Next Gen Broker Cutover Plans

Text in green indicates a change to the plan published last week.

Broker name	From what date will the broking firm be using PPL next gen?	Over what period	Will the broking firm be placing risks for all team(s) and/or brokers and/or broker codes on the same day? If no, please specify intended cadence per LOB.	Regarding endorsements, what date will the broking firm be placing their endorsements on PPL next gen?
BMS	03 April 2023			
Carrolls	03 April 2023			
Consilium Insurance Brokers Ltd (Previously Direct Insurance Group) Broker codes 1311/1870	03 April 2023		Platform will be available to all of our teams and broker codes from 3 April. It really depends on what carriers are live as to whether our brokers use next gen or v3.	As we are quite a small brokers, run off risks that have endorsements will remain on v3. Unless Broker wishes to use next gen. All new business that has ends will be on next gen.
Guest Krieger Ltd and Guest Krieger Europe	03 April 2023		All teams are aiming to place renewals / new business from the 3rd April	Most will use V3 for now FA and our lineslips will move across to Next Gen ASAP
Lockton	03 April 2023	From 3/4	Profin 3/4/23 Marine 3/4/23 GREAC 3/4/23	Endorsements attaching to risks bound on PPL v3 will be agreed on PPL v3 until the end of 2023. Post 2023 we will use Riskless Endorsement functionality (if available) or otherwise will go off-platform to agree endorsements Endorsements attaching to risks bound on Next Gen will be agreed on Next Gen from the point of Divisional cut-over.
